

### SHOE FENCES 300.3162/64.[FIN]

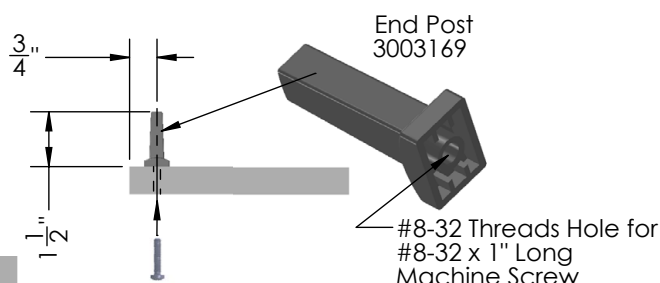

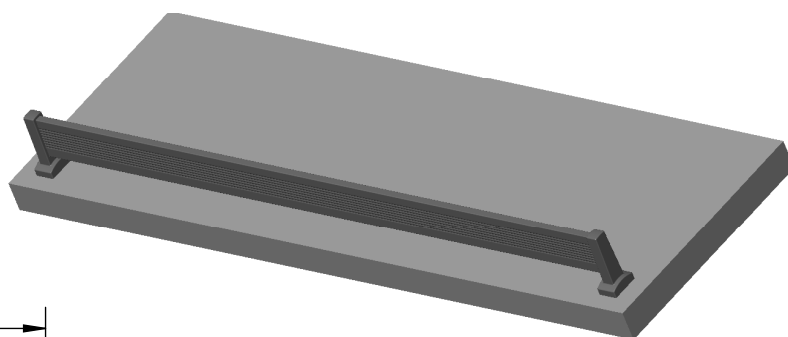

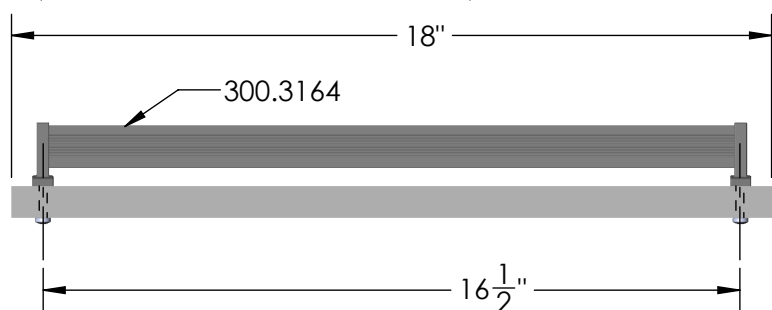

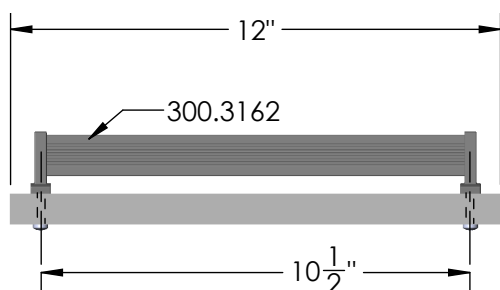

#### DESCRIPTION & SPECIFICATIONS

The Shoe Fence turns a plain shelf into a unique and attractive solution for shoe storage. Come in standard widths but can be cut to fit any shelf width.

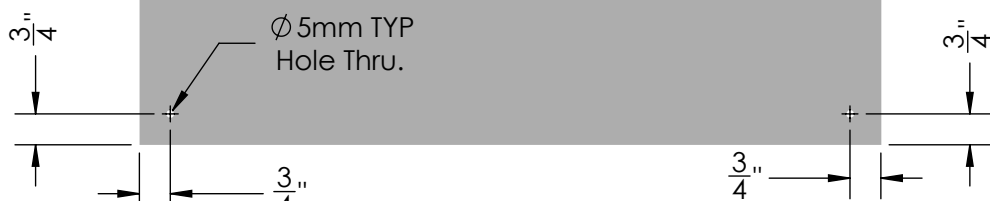

SIZE & CAPACITY | 12"/18" w 2 end posts

AVAILABLE FINISHES | 

Matte Aluminum with Chrome, Polished Chrome, Oil Rubbed Bronze, Matte Brass with Polished Brass.

Mounting Hole Position on Shelf

#### INSTRUCTIONS & SPECIFICATIONS

STEP 1: Pre-drill mounting holes on shelf using above measurements. Counter sinking may be used to conceal screw heads.  
STEP 2: Press the end posts onto the ends of the shoe fence.  
STEP 3: Line end posts up with mounting holes and fasten with screws.

- Two #8-32 Machine Screws are required to mount.
- Extra Center Posts 300.3170 and End Posts 300.3169 available.
